Instructor: Rev. Prentiss Davis

This is a Basic Unity Class that teaches you how to walk your path to freedom through the understanding of your own spiritual nature and the study and practice of universal spiritual principles. You will be given a learning guide and be presented with tools and techniques that will help you create a happier, more fulfilling life. Books can be purchased at the church.

About the Instructor: Rev. Davis is from Detroit, MI, where he was introduced to Unity in 1962. His education includes graduations from Wayne County Community College, University of Wisconsin, Unity Urban Ministerial School, and Unity Institute. He was Licensed and Ordained in 2004 and served as a Minister at Unity Temple of Truth in St. Petersburg, FL for 7.5 years. Rev. Davis has also served as a Hospice Chaplain and has been active in community events bringing together people of different faiths and cultures to promote peace and harmony.
